CHOOSE A FORMAT TO MEET YOUR NEEDS

Connect In-Person
Immerse and engage! Participants learn from expert instructors and network with cross-functional industry professionals, together in one room! Open-enrollment Insurance Immersion is offered over 2 ½ days in various cities throughout the year.

Connect Virtually
All the benefits of a live session, conveniently delivered to participants’ desks. They’ll learn from industry experts, network with peers and interact in discussions and activities through virtual classroom technology. The cost-effective Virtual Immersion program is offered in 8 two-hour sessions over 4 days.

Connect as a Company
Bring the Insurance Immersion experience directly to your team! We can deliver customized sessions on-site or virtually. Bring cross-functional teams together through interactive sessions and promote meaningful conversation and collaboration in your organization.
An Effective Educational Experience

Our instructors bridge knowledge gaps through lively, fast-paced sessions thoughtfully developed by a committee of industry experts. Drawing on both technical concepts and real-world examples, these lessons stick with participants long after the session is over.

Engaging Interaction

Insurance Immersion is not for the passive learner! This training provides connection with experienced instructors and other participants, structured hands-on activities, and excellent networking opportunities.

An Industry Perspective

LOMA is highly respected for its industry expertise and high-quality educational programs. In this informal, collaborative setting, participants will apply what they learn to case studies, find answers to their most pressing questions, and hear stories that will bring course concepts to life.
INSURANCE IMMERSION
A Proven Solution for Industry Onboarding & Career Development

More than 5,000 professionals & leaders from over 100 financial services companies have completed this training. Here's what they have to say:

“I really enjoyed this training. It is comprehensive, informative, and provides a great foundation for anyone working at an insurance company. Everyone should take it!”

“Great jumping off point to learn about the life insurance (business), if you’re coming in from a different industry.”

“Really liked the mix of speakers. They had a great level of enthusiasm/passion for their topics and were certainly knowledgeable.”

“Great program. I enjoyed the interactive activities and opportunity for questions and discussion throughout.”
