

Partner With LOMA to Achieve Greater Success

Why Become a Member?

Membership in LOMA — the trusted source for industry knowledge for nearly 100 years — makes you part of a forward-thinking community of more than 1,200 organizations. Look to LOMA to help you understand your customers, markets, distribution channels, and competitors.

You gain access to industry-specific educational offerings that improve performance and enhance career development, along with global research, information sharing, and related products and services. You will also have LOMA as a committed partner to improving your management and operations through proven, best-practice solutions.

Save on Course Enrollments

Enjoy significant discounts on our globally recognized professional designation courses, facilitator-supported programs, and short online courses.

Collaborate on Customized Solutions

Join forces with our experts to develop a comprehensive learning and development plan reflecting your unique needs.

Keep Informed

LOMA's Information Center has customized research and information relevant to the financial services industry. Our award-winning *Resource* magazine provides in-depth analyses of key trends.

Value Plus Membership

Make a Difference

Make a significant contribution toward establishing best-practice solutions for the industry and create a lasting impact on the leaders of tomorrow.

Stay Ahead

Participate in conferences around the world to network with your peers and hear the latest trends, ideas, and practices from thought leaders in the insurance and retirement industries.

Your Value Plus Membership Benefits

Your organization can align your level of membership to your specific needs. For ALL members at ALL levels, we serve as the ideal partner in learning, development, research, professional networking, and consulting.

¹ Most courses and conferences are priced at a 50 percent discounted rate for members.

² LOMA Platinum members received a maximum of ten (10) free course enrollments and LOMA Gold members receive a maximum of three (3) free course enrollments in the language of their choice with their paid membership. Course enrollments must be sent by batch to the LOMA coordinator for your region or at intl@loma.org. This offer must be redeemed in a single transaction.

³ LOMA Platinum members receive a maximum of one (1) free registration for each of the listed conferences. LOMA Gold Members receive one (1) free registration for each listed conference when they purchase one registration for that conference. Discounts cannot be combined. If your company is a member of both LOMA and LIMRA, your company may only use one discount per conference. Please contact your LOMA coordinator to process this offer or email intl@loma.org.

⁴ Session has to be arranged finding a mutually agreeable time. Benefit cannot be applied as a discount to "consulting engagement." Only one discount per company even for members of both LOMA and LIMRA.

⁵ With a 50K minimum cost.
