### This Is Your Agenda!

- We'll be using the app instead of paper agendas and attendee lists:
  - **Agenda** shows event times and locations
  - **Attendees** provides names, companies, photos, and chat
  - **Resources** includes information, solutions, and videos
- Learn about the **Speakers** and **Sponsors**
- Connect with LIC attendees through the app **Chat**
- In the Chat messages, you only see the **name** of the sender so you may want to note your **company name** within the message if it's not someone who would already know that

### Event Feed – Stay Informed and Join the Conversation

- Read LIC Announcements and posts from Attendees
- Tap “What’s on your mind?” to share your photos and meeting insights

### Attendees

- Tap the “eye” icon to sort by Last Name, First Name, or Company
- Send a Message through the Attendee’s profile in the list

### Ratings & Reviews

- We'll ask for feedback at the end of each session – just a click on the stars and optional comments. Let us know what you thought!
