Sample Questions

Comparisons: Click to choose one word from each pairing of words which best describes your work preference or work style.

For some items, you will be asked to choose which of two job titles you would most prefer.

Example A:

- School Principal
- Bus Driver

For other items, you will be asked to choose which of two work activities or descriptions you prefer more.

Example B:

- Writing letters
- Performing calculations

Finally, you will be asked to choose which of two adjectives best describes you in a work setting.

Example C:

- Excited
- Calm

Work Preferences and Experiences

I would prefer a job where I can work outside.

- Strongly Agree
- Somewhat Agree
- Neither Agree nor Disagree
- Somewhat Disagree
- Strongly Disagree

Rankings: This section provides a series of lists containing work activities or work descriptions. Applicants will rank the items in each list based on their work preferences by dragging items from the list into the ranked positions in the box above the list.

Example: Rank the following job activities based on your work interests and preferences:

1 = most important or most desired to 6 = least important or least desired.

most important	1	
	2	
	3	
	4	
	5	
least important	6
