COVID-19 Information for LIC2022 and LICCEO Participants

Updated January 21, 2022 - Please see www.loma.org/covid to check for any new updates.

In the ever-changing challenges presented by the COVID-19 pandemic, we've had to re-examine the decision to meet in person more than once. On January 10, LIC and parent company LL Global made a final decision to move forward with holding the 2022 LIC Annual Conference and CEO Forum in person, with a requirement that all participants be fully vaccinated against COVID as defined by the [Centers for Disease Control and Prevention](#).

CLEAR Health Pass Required: The CLEAR Health Pass smartphone app is being provided for free, and will be required for all participants to verify that they are fully vaccinated. All participants will need to show the green CLEAR Health Pass on their smartphone to get their name badge and access to the LIC events. LIC partnered with CLEAR to make this aspect of attendee check-in quick and easy, while also providing verified proof of vaccination and security of users' data. No user information is passed between CLEAR and LIC, ensuring that we are not accessing or storing attendees' health information.

[Click Here for CLEAR Health Pass Instructions](#)

No Vaccination Cards Needed On Site: While the extra step of entering your vaccination card into the app may be a nuisance, we don't want to put LIC Registration staff in the position of evaluating vaccination cards and potential special requests on site. We believe that having one consistent requirement for everyone is the most reliable, safe, and fair policy.

Additional Recommendations: We encourage attendees to take a COVID test prior to attending, but this is not required. If you are experiencing COVID symptoms or have a positive test result, please follow CDC guidance for isolation/quarantine. While onsite, all attendees will be encouraged to use masks and should abide by any policies the resort has in place (see What To Expect below).

Individual Registration Cancellation: Attendees may cancel their registration for any reason and receive a full refund of their registration fee up to January 25. After that date, a \$125 (US) administrative fee will be charged on any cancellation requests. Cancellations should be sent to customer.service@limra.com.

Travel Expenses: If you cancel or cannot attend the meeting, we will not be responsible for any travel expenses you may incur; therefore, we recommend you purchase refundable or changeable fares and be mindful of the cancellation policy noted in your room reservation confirmation email. JW Marriott Bonnet Creek Resort reservations can be modified [here](#) or by calling (407) 789-0999.

What To Expect at the Resort: Information about COVID-related cleaning and safety standards in place at the JW Marriott Bonnet Creek Resort can be found at <https://whattoexpect.marriott.com/mcojb>. This includes what to expect at the resort with regard to face masks, social distancing, contactless experience, food safety, and reservation policies. The Marriott International "[Commitment To Clean](#)" website also includes information about flexible cancellation and travel insurance.

Thank You! We appreciate your patience and cooperation, and we very much look forward to seeing you soon! If you have any questions or concerns, please contact:
