

Whitelist Instructions

All of LIMRA and LOMA, including LIC, uses one email platform for sending news, announcements, and other important communications to groups of members. If you are not receiving email from us, it may be the result of an email from any one of these organizations being blocked, bounced, unsubscribed, or sent to a spam folder. We encourage you to whitelist all of our communications and use the Email Preferences Center to specify what you do or do not want to receive.

Add the Following to Your Whitelist

- Sending IP Address: 13.111.68.239
- Emails from the domains: limra.com, llglobal.org, and loma.org
- Specific sending email addresses. It is best to list all of them since a block or bounce from one can prevent email from coming from any of the others:

education@loma.org

lic@loma.org

limra-loma_conferences@limra.com

LIMRA-CEO@limra.com

Resource@loma.org

resources@llglobal.org

newsletter@llglobal.org

loma_conferences@limra.com

limra-news@limra.com

Customize Your Email Preferences Instead of Unsubscribing

Visit the Email Preferences Center to select the LIC, LIMRA and LOMA emails that are relevant to you. All of our group emails have a link to this center at the bottom of the page. Don't click on "Unsubscribe"; you may stop receiving other content that you do want!

If you'd like us to send you a link directly to your personalized Email Preferences Center, [click here](#).

We also encourage you to make sure you're receiving all the news LIC has to offer in one place:

[Subscribe to LIC's Bullet E-News](#)

Questions?

Contact lic@loma.org if you have any questions or want to add anyone else from your company to our mailing lists.
