

## Whitelist Instructions

All of LL Global, including LIC, LIMRA, LOMA, and SRI, now uses one email platform for news, announcements, and other communications. If your email is not coming to you, it may be the result of an email from any of these organizations being blocked, bounced, unsubscribed, or sent to a spam folder. We encourage you to whitelist all of our communications and use the Email Preferences Center to specify what you do or do not want to receive.

### Add the Following to Your Whitelist

- Sending IP Address: 13.111.68.239
- Emails from the domains: limra.com, llglobal.org, and loma.org
- Specific sending email addresses. It is best to list all of them since a block or bounce from one can prevent email from coming from any of the others:

[education@loma.org](mailto:education@loma.org)

[lic@loma.org](mailto:lic@loma.org)

[limra-loma\\_conferences@limra.com](mailto:limra-loma_conferences@limra.com)

[LIMRA-CEO@limra.com](mailto:LIMRA-CEO@limra.com)

[Resource@loma.org](mailto:Resource@loma.org)

[resources@llglobal.org](mailto:resources@llglobal.org)

[newsletter@llglobal.org](mailto:newsletter@llglobal.org)

[loma\\_conferences@limra.com](mailto:loma_conferences@limra.com)

[limra-news@limra.com](mailto:limra-news@limra.com)

### Customize Your Email Preferences Instead of Unsubscribing

Visit the Email Preferences Center to select the LIMRA, LOMA, SRI, or LIC email topics relevant to you. All of our marketing emails should have a link to this center at the bottom of the page. Don't click on Unsubscribe; you may stop receiving other content that you did want! If you'd like us to send you a link directly to your personalized Email Preferences Center, [click here](#).

We also encourage you to make sure you're receiving all the news LIC has to offer in one place:
