How to Apply for Credit for the ACS P&C Track

1. Register as a LOMA student and enroll for ACS 100 or ACS 101.
2. Download and print a copy of the application form.
3. Check the boxes next to the courses for which you want to receive credit.

Note:

To earn the ACS designation in the P&C track, you must pass ACS 100 / ACS 101 and obtain credit for four of the courses listed on this form. Two courses are required; two are elective. Please consult www.loma.org for more information.

4. Note:

The CPCU designation provides credit for courses AINS 21/101, AINS 22/102, AINS 23/103.

5. Fill in all the contact information in the spaces provided.
6. Attach an official transcript or other verifiable document from the sponsoring organization of each course you are applying for credit. Acceptable documentation includes a printout of your course history, a copy of your grade report, or a copy of your diploma. LOMA reserves the right to contact the sponsoring organization to confirm your award.
7. Mail or fax the completed application form and 'Proof of Completion' to
LOMA's Office of the Registrar
6190 Powers Ferry Road, Suite 600
Atlanta, GA 30339-8443
USA
Fax: 770-984-6415

Additional ACS Credit Rules

- This application form must be filled out in its entirety. LOMA will not process incomplete submissions.
- There is no fee required to process ACS course credits.
- LOMA processes course credit applications on an ongoing basis. Any credits granted will be formally communicated to you by email and will appear on your LOMA student record immediately.
- The **U.S. program** is jointly sponsored by The Institutes. For details on the required and elective courses offered by The Institutes, please visit theinstitutes.org.
The **Canadian program** is jointly sponsored by the Insurance Institute of Canada (IIC).
For details on the required and elective courses offered by IIC, please visit insuranceinstitute.ca.
