# 2024 Course Enrollment Fees — North America (English)

## Course fees are based on:

1. **A company's LOMA membership status.** Participation in LOMA Professional Development Programs or activities does not constitute LOMA membership, nor does it qualify an organization for member company rates. See <https://www.loma.org/en/about/membership/becoming-member/>.
2. **The course and exam delivery format.** The fees shown below include the cost of all required study materials, the exam enrollment, grading, and credit towards a designation. No additional purchase is necessary. Optional printed study materials are available for some courses.

<sup>1</sup> Enrollments in SRI 210, 220, 230 and 240 will be discontinued effective June 30, 2024. Learners will have the full 6-month course access period access period following enrollment to complete the course.

<sup>2</sup> Certain exams administered in Canada, including those for independent students, are subject to a \$20 (U.S.) per exam surcharge. This fee is in addition to the base enrollment fee and other applicable fees. The Canadian surcharge applies only to FLMI exams and the exams for ACS 100 and ACS 101. All exams administered in Canada are subject to the Canadian Goods and Services Tax (GST). The GST applies to the enrollment fee, the Canadian student surcharge, and any applicable additional fees. LOMA does not collect the GST; Canadian companies and independent students must self-assess any liability they incur.

<sup>3</sup> If you do not complete your course requirements within your six-month access period and re-enroll in the course within one month of the end of your course access period, you qualify for the discounted course extension fee. Otherwise, you may re-enroll at the full course price.

**NOTE:** All fees are shown in U.S. currency, and are subject to change without notice.
