

LOMA November 2021 Enrollment Instructions

These are your instructions for enrolling students for **November 2021** paper examinations. You may photocopy these instructions and forward them to your company's branch and field offices. These instructions include the **Secondary Organization Form, Promotional Materials Order Form,** and the **November 2021 Exam Schedule**. Examinations will be given from **November 1 - 5, 2021**. Please call the Office of the Registrar at (800) ASK-LOMA, option 1, or (770) 984-3761 or send us a fax at (770) 984-6415 or e-mail education@loma.org, with questions.

There are two enrollment options for LOMA companies:

1. Education Representatives may enroll their students through LOMA's Learning Management System (LMS) at <https://learning.loma.org>. We have included information on Enrolling Students via LOMA's LMS.
2. Companies with a **minimum of 50 enrollments** for the period may elect to use the electronic bulk enrollment option. You will have until the Late Paper Enrollment deadline of **August 20, 2021**, to complete the enrollments and submit the final enrollment file.

The Batch Enrollment feature at <https://edreptools.loma.org> may be used to enroll one or more students. Please email education@loma.org to receive more detailed information about using the electronic enrollment option.

ENROLLMENT GUIDELINES

DEADLINES – LMS and Late Paper Enrollment deadline is **August 20, 2021**. Exam Site changes/additions/deletions are due by **September 10, 2021**.

MISSED DEADLINE POLICY – We can accept enrollments after the late enrollment deadline (**August 20, 2021**) for an additional fee of **\$125.00 per exam**. This fee is in addition to the enrollment fee, and is necessary to cover the extensive costs of the complex manual handling involved in processing enrollments received so late.

CANCELLATION POLICY – Enrollment changes (and un-enrollments) can be made until the enrollment deadline of **August 20, 2021**. All fees are nontransferable between students or courses.

ED REPS ENROLLING FOR PAPER EXAMS – If you, as the Ed Rep, would like to take an exam, the exam *must not* be mailed to you. Please set up a proctor for your company by completing the attached form. All students enrolling for that same exam must enroll in that same exam site.

INVOICING – **Companies will be invoiced for enrollment fees.** An invoice will be produced based on your paper exam enrollments as they appear in LOMA's LMS. The invoices will be sent in **September 2021**. **Payment will be due upon receipt of invoice.**

PROMOTIONAL MATERIALS ORDER FORM – If you need more catalogs or promotional materials, email the **Promotional Materials Order form** directly to updates@loma.org.

EXAMINATION SCHEDULE – The **November 2021** Exam Schedule is included with these instructions. Please refer to it to ensure students are not enrolled for multiple examinations administered at the same time.

HOLIDAYS AND CLOSINGS – Check the Exam Schedule to note if your company will be closed for a national or company holiday on the day of an examination. Do not allow students to enroll for examinations scheduled for that day.

NAME CHANGES AND CORRECTIONS – For names to appear correctly on awards earned this **November**, name corrections must be made by **November 16, 2021**. You or the student can make name changes in the student's online record.

COURSE EXTENSIONS – Students with Course Extensions from the **May 2021 Exam period** will need to re-enroll for the same exam in this cycle or forfeit the Extension.

MAILING OF EXAMINATIONS – **November 2021** examinations will be mailed in **October** and should be received by the proctors by **October 18, 2021**. Ed Reps, please make sure all secondary locations receive their examinations by this date.

ELECTRONIC ENROLLMENT OPTIONS

You may enroll students for the **November 2021** paper examinations by submitting an electronic file, providing your company has the **minimum of 50 enrollments** for the period. The electronic enrollment must be submitted in an email attachment sent to education@loma.org.

The electronic enrollment is completed on a MS Excel spreadsheet.

If you are interested in using the electronic enrollment option, please send an email to the Office of the Registrar at education@loma.org. You will receive further, detailed instructions on the electronic enrollment option, as well as a sample enrollment spreadsheet for you to use.

Please **do not create your own spreadsheet** for the enrollment. You must use the template that LOMA provides you to complete the enrollment.

The deadline to use the electronic enrollment option is **August 20, 2021**. The final enrollment file must be submitted as an email attachment to the Office of the Registrar by this date.

*Your company will be invoiced in **September 2021**.*

FREQUENTLY ASKED ENROLLMENT QUESTIONS

How many exams can I sign up for? There is no limit established by LOMA for the number of exams a student can take, but your company may have restrictions. Just make sure you do not enroll for two exams that are scheduled at the same time.

I have a meeting the day of the exam. Can I take it at another time? No. LOMA's exams must be given at the scheduled exam time.

Can I cancel the enrollment if I decide not to take the exam? Enrollments can only be cancelled prior to the enrollment deadline of **August 20, 2021**.

What if I need this course for Agent CE hours? LOMA no longer offers CE credits.

What is my Test ID? Students may use a LOMA assigned Test ID number or request the Login ID at the login page of LOMA's Learning Management System.

How do I find out what course(s) I have already taken? Your company's Educational Representative will have a record of the exams you have completed. You can also access your student record online on LOMA's Learning Management System.

What if I do not know my password? You should use the "Forgot your Password?" function at the LOMA Management System's login screen. Your e-mail address must be stored in your record in order to use this function. Or, you can e-mail education@loma.org with your name, Test ID number, and date of birth to request a password.

What if I want to take my exam at a LOMA Exam Center? Consult the Third-Party Exam Center Directory to find a center nearby.
