

## Select Write

Example of a writing prompt.

The screenshot shows a digital writing prompt interface. At the top right, there is a green 'Next >' button. Below this is a grey header bar with the text 'Business Situation'. The main content area contains a paragraph: 'The department you are working in has just received its customer survey results. Your customer service feedback scores are very low and need improvement. Compose an email to your supervisor explaining the importance of having great customer service and possible ways you can improve it. You may add information and details to your response to supplement the information provided.' Below the paragraph is a smaller line of text: 'Please be sure to include a subject line followed by a blank line.' To the right of the text area is a grey 'Clear Answer' button. Below the text area is a large, empty text input box with a vertical scrollbar on the right side. At the bottom left of the input area, there is a small box labeled 'Spell Check Button' followed by the text 'OR Right click on marked words for corrections.' At the bottom right of the interface, there is another green 'Next >' button. The bottom of the window shows a zoom level of '100%'.
